Description

2006 Dufour Grand Large 455 – Spacious, Comfortable & Reliable

The Dufour Grand Large 455, designed by renowned architect Umberto Felci, is celebrated for her elegant lines and practical cruising layout. Combining comfort with seaworthiness, she is an ideal yacht for extended cruising or comfortable liveaboard life.

Her generous beam creates an exceptionally spacious cockpit, offering plenty of room . The twin-wheel steering system provides excellent visibility under sail and effortless handling whether sailing short-handed or with a full crew.

Powered by a reliable 75 HP Volvo Penta diesel engine with approximately 2,200 engine hours, she delivers dependable performance.

Below deck, the yacht features a 4-cabin, 2-head layout, comfortably accommodating family and friends. The bright, airy saloon creates a welcoming atmosphere, while the well-designed galley is fully equipped for life on board with:

- Large top-loading refrigerator with two separate compartments
- ENO gas stove and oven
- Generous storage and ample workspace

The Dufour Grand Large 455 is renowned for her straightforward systems, practical deck layout, and ease of maintenance, making her an excellent choice for sailors planning coastal cruising, offshore passages, or a circumnavigation.

Whether you are looking for your first serious cruising yacht or a capable vessel to begin your next adventure, this Dufour 455 represents an outstanding opportunity to own a proven and highly respected cruising yacht.

She is ready to cast off and take you wherever your next voyage leads.
