CUSTOM Patago 40

230 000 € VAT INCLUDED

Description

The Patago 40, constructed in 2019 by Gendron and Alumarine by using the finest quality products. Built and designed to be strong and reliable to cross all oceans. The sprayhood, made of aluminum is integrated into the design of the boat, its rounded shape protects against extreme weather conditions. She is powered by a Hyanmar 56 hp engine which only shows approximately 350 hours, she also features a folding prop. The mainsail and Genoa are made from Hydranet, and she is equipped with a second furler for the gennaker. The quantity of Solar panels, the strong wind generator, watermaker and others enable her to be self-sufficient. The layout of two cabins offers the perfect space for up to four people even during long distance cruising. Offered fully loaded including liferaft, dinghy and outboard and offered turnkey. Last haul-out and antifouling done in 2025. It's a perfect vessel for those who are looking for serious adventures.
