Description

Beneteau Oceanis 46.1 – Now Offered by Harel Yachts

The Oceanis 46.1 perfectly embodies the spirit of a modern cruising yacht, delivering an exceptional balance of elegance, performance, and onboard comfort. Her innovative stepped hull design creates remarkable interior volume while maintaining outstanding seakeeping capabilities, ensuring both stability and responsiveness under sail.

Designed with versatility in mind, she features numerous smart, customizable fittings that make handling effortless and life onboard exceptionally comfortable—whether for extended cruising or relaxed coastal passages.

This well-maintained and thoughtfully equipped example includes a foldable swim platform, a new 120L watermaker, a new dinghy with outboard engine, a stainless steel arch supporting dinghy davits and solar panels, air conditioning, and a bow thruster, among many additional upgrades.

Both the engine and generator have low operating hours, reflecting careful use and maintenance.

Presented in true turnkey condition, she is fully prepared for her next owner to step aboard and set sail—whether for coastal adventures or extended bluewater cruising
