Description

Catana 471 Ocean Class – Available Now with Harel YachtsThe Catana 471 Ocean Class perfectly embodies the performance and reliability that Catana enthusiasts expect. Built with a strong, seaworthy design, she delivers exceptional sailing performance and comfort. This unit features a carbon mast and an extensive sail inventory, making her ideal for serious cruising. Designed for independence at sea, she comes fitted with solar panels, a watermaker, and all the essential systems for long-distance voyages. A major refit carried out in 2024–2025 has significantly upgraded the vessel. Key improvements include a renewed Volvo engine, new generator, new mainsail, updated electronics, a new dinghy with outboard engine, and a new bimini—along with many additional enhancements. The interior woodwork on this 3x cabin owner's version remains in excellent condition, creating a warm and inviting atmosphere onboard. All plumbing fixtures in the galley and bathrooms have also been fully replaced. Fully upgraded and meticulously maintained, she is now ready to set sail for exciting blue water cruising.
